re: Request for extension of time to address Second Review comments for Rocanville Corporation, Black Rock Mine, M027/088, Millard County, Utah.

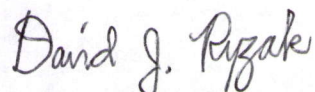

Dear Ms. White:

I am sending this letter on behalf of Mr. Mert Hamilton. He will not be able to complete changes to the Notice of Intention to Commence Large Mining Operations (NOI) for the Black Rock Mine, M027/088, Millard County, Utah by the requested date of August 15, 2005. Required changes to the NOI are addressed in DOGM's Second Review of Notice of Intention to Commence Large Mining Operations, Rocanville Corporation, Black Rock Mine, M027/088, Millard County, Utah dated July 12, 2005, accompanied by your cover letter dated July 14, 2005.

Mr. Hamilton requests an extension of the due date to respond to the Second Review by one month to September 15, 2005. Part of the requested delay is due to the permit writer being committed to some personal projects from August 13 to August 27 (not vacation) during which time he will not be available to do any work for Mr. Hamilton.

Thank you for your kind consideration.

Sincerely,

David J. Ryzak
